Performance Improvement Plan

As provided in the Preliminary Notice of Inadequacy of Classroom Performance, this Performance Improvement Plan is provided to assist you in meeting the expectations of the evaluator. The areas of inadequacy noted below are described in detail in the Teacher Evaluation Handbook, and in your performance evaluation. The suggested strategies and resources are intended as a guide to assist you in meeting the standard indicated. The results of the final evaluation, conducted at the conclusion of the performance improvement period will be used to determine your success with this plan, and will be the basis for recommendation for continued employment with the district.
